

Central Equine Vets

*Helping your horses live long,
happy & healthy lives*

Horse owner and want to save money?

Want to have hassle-free convenient monthly payments?

Want exciting discounts on products and services?

Why should you have an Equine Health Plan?

At Central Equine Vets, we believe that a proactive, preventative approach to your horse's health care is far better than waiting until your horse is vulnerable, ill or suffering to put things right. That's why we have designed these equine health plans.

About the Central Equine Vets Health Plan

A Central Equine Vets Health Plan provides excellent preventive healthcare packages for your horses and allows you to budget in convenient monthly payments as well as giving you access to a variety of discounts on other products and services from our practice.
